Dear Wildcat Family,

Happy New Year, and welcome to the start of the 2026 semester! We are so thankful that you are part of the Springwood Family.

As we begin this semester, we want you to know how much we truly value your feedback. This week, the administrative team will be hosting **Brown Bag Lunches** for parents in the **Fine Arts Center Conference Room** from 12 - 12:30 PM. These lunches are designed to be informal and relaxed offering you the opportunity to join us with your lunch, share feedback, and talk openly about your experience at Springwood School. Your insights are valuable and help guide our work as we continue to grow and improve. Tea and lemonade will be provided.

We are looking ahead to an exciting month filled with hands-on learning, school events, and competitions. Our students are preparing for the **Local Science Fair**, where they will showcase their creativity and problem solving skills. In addition, we are looking forward to the **Greenpower Race** at the end of the month, which involves many of our students and highlights innovation, teamwork, and real-world problem-solving. Our **Math Team** will also be competing this month, and our **Basketball Teams** continue their busy season of competition.

We can't wait to cheer our students on and to celebrate their hard work and accomplishments. First semester report cards will go home with ALL students January 8. Please sign and have your child return it to his/her homeroom/first period teacher by Monday, January 12.

Thank you for your continued support and partnership. We are going to have an amazing second semester!

Much love-

Allyson L. Matthews
