Admissions Coordinator

Hello Springwood Wildcats,

I am pleased to share that we have enjoyed a strong and successful first quarter at school filled with learning both inside and outside the classroom. From pumpkin patches to college fairs, we continue to focus on developing every aspect of our children and providing them with many opportunities to grow.

Thank you so much for your active participation in the T-Mobile Challenge. Your passion, effort, and involvement have been key to advancing us to the final level. As a result, school spirit is high! If you know students who would be a good fit for Springwood School, now is the perfect time to encourage them to visit. Please share your Springwood experience with others so we can identify those interested in learning in a Christian environment, supported by faculty and staff committed to excellence.

As a reminder, we recently kicked off our Annual Fund campaign, which plays a vital role in helping cover our operating costs. While we recognize and appreciate that you already contribute through tuition, we humbly ask for 100% participation in this campaign. Every gift, no matter the size, makes a difference. Please visit the following link: <https://springwoodschool.factsmgtadmin.com/give/>

We also invite you to support the Junior Class Fall Festival, the major fundraiser for the Junior-Senior Prom. Hopefully, your family will enjoy this carnival-style evening complete with games and a silent auction planned for the late afternoon of November 1st.

There is always a place to be involved at Springwood. Join us for the next PTO meeting in the FAC on November 11th at 3:10 PM. Bring your children and enjoy cookies and lemonade. You should have received information on our main fundraiser for this year, Charleston Wrap. Orders are due on November 18th.

Finally, Springwood remains committed to instilling core American values in our students—values that we all cherish. As Veterans Day approaches, we will take this important moment to teach our students about the freedoms we enjoy, made possible by the dedication and sacrifice of many individuals. It will be a meaningful and teachable moment for our children. Please remember to send in pictures of Veterans connected to our school family so we can acknowledge their service.

Thank you for your continued love and prayers as we move forward focusing on mind, body, and spirit. If you need me, I am just a phone call, 706-773-2890, or email away.

God Bless You,

Allyson L. Matthews
