A school where students can expect more…

Springwood School is an independent, college and career preparatory day and international boarding school located in Lanett, Alabama. The school's enrollment is currently 285 students, grades K3-12, including international students from Europe and Asia with capacity for 32 students in the school's International House.

Honoring the past with our MISSION:

As a college and career preparatory school, Springwood School is dedicated to providing quality education in a nurturing environment, focusing on mind, body and spiritual development.

Embracing the future with our VISION:

Serving six counties across Alabama and Georgia, Springwood School will provide the most comprehensive educational experience for children age three through twelfth grade in the region. By inspiring the mind, training the body, and nourishing the spirit, Springwood will cultivate wholeness in its students through a learning environment that fosters curiosity, risk-taking, collaboration, and innovation, so that students are prepared to engage in the complexities of the world around them.

Inspiring the Mind, Training the Body, Nourishing the Spirit:

Springwood School seeks to develop the wholeness of every student through academic excellence in a Christ-centered culture so that they are fully equipped to impact the world.

ACCREDITATIONS AND MEMBERSHIPS

Springwood School is accredited by the Southern Association of Independent Schools (SAIS) and Cognia. It serves students from Alabama and Georgia, representing six counties and international high school students from nine countries. Springwood holds memberships in both the Alabama Independent School Association (AISA) and Georgia Independent School Association (GISA). Springwood School is also certified by the Student Exchange Visitor Program (SEVP) which allows Springwood to issue Form I-20 to international students so they can apply for an F-1 visa to enter the United States. The school's programs are open to qualified students of all races, creeds, and ethnic origins.

COMMUNITY SERVICE

Springwood School is committed to serve the community by requiring each graduate to complete 100 hours of community service over his/her four years of high school. These hours can be served at any non-profit organization as well as through the school's many service clubs.

CO-CURRICULAR OPPORTUNITIES

There are many opportunities to be active within the school and broader community. Student Government Association, Leo Club, National Honor Society, Math Team, Scholars Bowl, Thespian Society, Fellowship of Christian Athletes, Greenpower USA, and Yearbook provide valuable learning experiences outside the classroom.

Interim Experience: Three days of travel, job shadowing for seniors, community service, and field trips during March instead of traditional classes

Internship: Opportunity for juniors and seniors to work in a field of interest while earning class credit

Wildcat Workday: Annual school-wide day of service when students and faculty work throughout the community

ADMISSIONS

Springwood School has a selective screening process for all applicants. Potential students are required to provide transcripts for evaluation and assessment. Letters of reference and interviews are required in order for successful enrollment. Our average class size is 14 students with our high school enrollment at 140. For students in grades K3-8, IXL is used for math assessment testing and STAR for literacy assessment evaluations. The College and Career Counselor is an integral part of the assessment process.

FACILITIES

Our 46-acre campus houses seven buildings: primary, elementary, media center/junior high, high school, fine arts center, gymnasium and the international house. In addition, the school maintains a football and soccer stadium and baseball and softball complex.
