

## **Fifth Grade Summer Reading Challenge**

### *Soak Up Stories This Summer*

Summer may be short, but there's still time to enjoy a few great books! Whether you're reading on your own or listening to someone read to you, we want to celebrate your summer reading!

To complete the challenge:

- Read independently these two books:
  - *Frindle* by Andrew Clements
  - *Island of the Blue Dolphins* by Scott O'Dell
- Bring the completed form to Mrs. Caroline Davidson, our Educational Technology and Media Specialist, at the Back to School Celebration on August 5, 2025, for a fun prize!
