

## SPRINGWOOD HAPPENINGS

APRIL 2021

### VACCINE DAY

Springwood School International Students received the Covid-19 vaccination on Tuesday free of charge!!

- Since COVID-19 vaccinations first became available to the public in early January, millions of Americans have been vaccinated! The U.S. has the highest number of vaccine doses administered! The vaccine became available in the State of Alabama to anyone over the age of 16 last week!
- Timing was crucial to assure that our international students could receive both doses of the vaccination before traveling home for the summer.
- This week 87.5% of our international residential students chose to receive the first dose of the Pfizer COVID-19 vaccine at no cost. The Pfizer vaccine is showing 95% effectiveness at preventing COVID-19.
- This year at Springwood, we have seen on-campus, in-person instruction proceed safely and now with increasing vaccine rollouts, along with our commitment to continued student health and safety, we look forward to having many international high school students studying at Springwood School for the 2021-2022 school year.
- Despite the Pandemic, the U.S. remains the top destination for international students. Students unable to receive the vaccine in their home countries will have the opportunity to receive the vaccination when they arrive at Springwood in the fall.

Proud students doing their part to stop COVID-19

There is a lot to be optimistic about for fall of 2021 and international students and families should feel assured that the Springwood School campus is a safe and nurturing location and environment for students.

★ Springwood School's Location

1814 Cherry Drive | Lanett, Alabama | 36863

- Secure a spot in Springwood International for your student now!
- Apply and send in deposits sooner, not later! Help students begin their travel plans and visa arrangements as soon as possible.

## SPRING BREAK AT SPRINGWOOD

Exploring the Beaches

**Sight Seeing**

**Local Cuisine**

**Historical Tours**

**Shopping**

**University Visits**

Springwood boarding students enjoyed a variety of spring break trips. Springwood International staff took a group of students to explore Savannah and Tybee Island, Georgia. Other students visited with family and friends in Texas, Massachusetts, New York, and Atlanta. Students who went to the northeastern U.S., took advantage of the opportunity to tour several universities and museums, including MIT, Harvard, Boston University, and The Metropolitan Museum of Art in New York. Several students holidayed at the nearby Florida beaches for sun and relaxation with friends. Springwood School's optimal location and close proximity to the Atlanta International Airport gives easy access to student travel.

**College Tours**

**Relaxing on the Beach with classmates**

**Getting ready to Kayak**

**Harvard, MIT, and Boston University visits**

Recently, six international students were inducted into the National Honor Society at Springwood School for their high achievements in academics. Current Honor Society members had the privilege of inducting these new students. International students proudly hold the offices of Secretary, Treasurer, and Sergeant-at-arms in the National Honor Society.
