

SPRINGWOOD INTERNATIONAL

March 2021

Ideally located in the Southeast, Educating students around the World

SPRING AT SPRINGWOOD SCHOOL

Springwood International House

The beautiful Springwood campus is in "full bloom" with student activities. Rigorous academic classes and extracurricular programs keep Springwood students focused on success. This school year, Springwood School has maintained in person classes and added virtual classes so that our students have thrived academically during the pandemic! Now with vaccines being administered, a new season is upon us and we are accepting new student enrollments for the 2021-2022 school year.

For admissions and other inquiries email international@springwoodschool.com

ACADEMICS

Springwood Academics, whether learning in the classroom or online, prepares students for college and career.

Each year our students are accepted and attend top ranked schools and receive college scholarships.

University representatives visit Springwood to speak to our 11th and 12th grade students

Celebrating the math constant Pi, on National Pi Day in math class

ESL Support courses
